

Visitors to Canada

Emergency Medical Insurance

Are your family members planning a visit? Insure their stay in Canada with the TIPS Visitors to Canada Plan. It covers Emergency Medical expenses during their visit to our country. The plan can be purchased before or after arrival – however we recommend purchasing it in advance to ensure coverage upon arrival in Canada. The plan provides emergency medical coverage as well as 24 hour travel assistance.

Eligibility

- Available to non-residents of Canada who are travelling to Canada
- Plans are available for those 14 days old up to 84 years of age

Product Highlights

- **Meets Super Visa requirements for visiting parents/grandparents**
(at least \$100,000 coverage must be purchased for 1 year)
- Plans are available up to 365 days
- **No deductible on any Plan**
- Family Rates available
- **No medical questionnaire required**
- Three benefit limits:
 - \$50,000 (Ages 14 days old up to 84 years)
 - \$100,000 (Ages 14 days old up to 84 years)
 - \$150,000 (Ages 14 days old up to 69 years)

Benefits

Covers for a variety of Benefits such as:

- **Emergency Medical Expenses**
- Emergency Return Home/Evacuation
- Emergency Dental
- **Accommodation & Meals**
- Emergency Paramedical Services
- Visit to Bedside
- Repatriation of Remains
- Identification of Remains
- **Travel Assistance**

Emergency medical expenses must be incurred: in Canada; or on a side trip which begins in Canada and is not longer than the stay in Canada.
